Toggly Remix (deprecated)

Use @ops-ai/react-router-toggly instead

Deprecated

Remix v2 and `@ops-ai/remix-toggly-*` are deprecated. Use the React Router framework-mode SDK.

```
npm i @ops-ai/react-router-toggly
```

See `docs.toggly.io/sdks/react-router` and the React Router cheat sheet.

Migration

```
// server
import { createTogglyLoader } from
  '@ops-ai/react-router-toggly/server';

// client
import { RouterTogglyProvider } from
  '@ops-ai/react-router-toggly/client';
```
